

Dogwood Seedling Give Away 2018

Local resident receives package of dogwood seedlings from Jeff Parker and Keelin Parker as Sarah Reinemeyer provides planting instructions.

Saturday, February 3, 2018 was a wet, cold day in downtown Woodville -- a perfect day for planting seedlings. The Tyler County Forest Landowner Association, a non-profit organization of tree farmers, gave away 800 dogwood seedlings on the Courthouse grounds within a couple of hours. Those who received the seedlings generously donated \$450 toward a scholarship the association will be awarding a college-bound Tyler County student this summer.
